IMPORTANT NOTES:

The Covid-19 virus has made the planning of our Cleveland convention quite a bit more complicated than prior years. As a result we will have TWO REGISTRATION FORMS for this year.

This is the FIRST and includes the convention registration fee for Cleveland along with the 3 food events at the Convention Hotel. The second registration form will be for the daily events away from the hotel. At this time the venues are not able to book groups given all the uncertainties related to the virus. It could be late winter or early spring before we can finalize those events.

The Ice Cream Party will be a free event for all registered convention attendees and the Wine and Cheese Social will be no-charge for all the registered ladies!
