

JOIN THE

Big Train Operator Club

Founded in 1978, the Big Train Operator Club (formerly the LGBMRR) is a group of train lovers, hobbyists and collectors, who devote much of their time and energy to large-scale trains and their indoor/outdoor layouts... with members throughout the U.S. and Canada.

As a Club Member, you'll receive:

Membership Card and Certificate — each new member receives a Certificate of Membership, suitable for framing and an official Membership Card.

The Big Train Operator Magazine — published quarterly, the Big Train Operator Magazine keeps members informed of new products, local club news, articles of interest to large-scale railroaders, plus information regarding the club and its activities.

FREE Annual Calendar — a 12-month, full-color calendar featuring photos of members' G-scale layouts.

Monthly Prize Drawings — current members are automatically entered in a monthly drawing for great prizes that have been generously donated by our sponsors.

Limited-Edition Club Car — annually, the Club offers a limited-edition car available to members only. Only the number of cars ordered are produced, therefore creating both a distinctive membership bonus and a highly-collectable item as well.

Annual Convention — once a year, Club members gather for a family-oriented and fun meeting which provides an opportunity to operate trains, visit the dealer room, meet other Club members, enjoy local train excursions, participate in various activities, raffles, goody bag surprises and a farewell banquet with free door prizes for all members.

Plus much more...
