**IMPORTANT NOTES:**

The continuing restrictions and protocols regarding the Covid-19 virus have unfortunately made the planning of our 2022 Mystic convention as complicated as last year. As a result we will have TWO REGISTRATION FORMS again this year.

This is the FIRST and includes the convention registration fee for Mystic along with the 3 food events at the Convention Hotel. The second registration form will be for the daily events away from the hotel. At this time the venues are not able to book groups given all the uncertainties related to the virus. It could be late winter or early spring before we can schedule those events. Further information will be made available as plans become finalized.

The Ice Cream Party will still be a free event for all registered convention attendees and the Wine and Cheese Social will be free for all the registered ladies like last year!
