**IMPORTANT NOTES:**

The continuing restrictions and protocols regarding the Covid-19 virus and its variants have unfortunately made the planning of our 2022 Mystic convention as complicated and challenging as last year. As a result we have TWO REGISTRATION FORMS again this year.

This is the SECOND FORM and includes the convention registration fee for Mystic along with the 3 food events at the Convention Hotel, plus the special events away from the hotel. Venues have been hesitant to book groups given all the uncertainties related to the virus but the committee has been able to schedule the events as indicated below. There may be last minute schedule adjustments, but we're trying to keep them to a minimum.

Complete and mail today to register! If you have already sent in Registration Form 1, simply add the events you wish to attend and send in payment for those only. Thank you for your patience and understanding. See you in Mystic!
