

## The 2023 BTO Convention Drag Races Rules Are As Follows:

There will be two classes consisting of; **one for the new 45th PIKO 25 ton BTOC locos** and **one for any of the FAN POWERED LGB Flyers (any and all styles; Mars, Fortuna, Christmas Santa and Snoopy).**

Within each class, two locos or flyers respectively, will race to a best 2 out of 3 finish, with the winner moving onto the next heat.

There will be a 1st and 2nd place WINNER in each class taking home a prize.

All entrants into the races must be "as delivered" from the manufacturer in factory stock with no customization of any kind to the electrical system.

Track power will be supplied by a LGB JUMBO with 10 Amps of power available.

The finish line judge has the final say on the winner of each race.

Please remember to mark your entry so yours can be identified from the others racing. Good luck to all who enter and let the competition begin!!

**Tim Stump, Convention Committee**
